1/2" DRIVE RATCHETS

Product #	Description	Shelf
13532	1/2" Dr. Professional Locking Ratchet	5
13533	1/2" Dr. Locking Ratchet with Dual Injected Handle	5
13534	1/2" Dr. Extra Long Ratchet 15" (380mm)	5
13561	1/2" Dr. Composite Ratchet	5
13563	1/2" Dr. 72 Tooth L-7 Extreme Ratchet (250mm)	5

EXTREME RATCHET

The new 72 tooth extreme ratchet is designed for tight access applications. One hand directional change and quick release features combine with a 5° movement for quick and professional usage. The nickel chromium finish and the dual compound comfort grip allow this incredibly small design the strength and versatility SIGNET customers have come to depend on.

POSITIVE LOCKING RATCHET & ACCESSORIES

Each tool in the Accessory Locking System has a locking/quick release button. To attach a drive tool, press the locking/quick release button and attach the tool. Each item will lock to the next making a solid link to the final drive tool. The Locking Accessory will hold the tool firmly until the locking/quick release button is again pressed. No more dropped sockets!

DUAL POSITION WOBBLE EXTENSION

Our dual position wobble extensions have a unique design for 2-in-1 function. They can be used as a wobble extension in the first position, then snap the extension further into the socket to become a regular extension for maximum speed and strength.
