ADJUSTABLE WRENCHES

- Precision machined screw for smooth jaw adjustment
- Rust resistant chrome plating
- Forged chrome vanadium

ALUMINUM PIPE WRENCHES

Our Aluminum Pipe Wrenches have precision milled teeth for added grip, drop forged alloy steel jaws for added strength, and the aluminum handle offers the strength, but not the weight.

PIPE WRENCHES

Product #	Description	Jaw Capacity	L	Shelf
70013	14"	65mm	320	1
70014	18"	85mm	400	1
